Covid safety

This year, events are subject to Covid restrictions being lifted in time and will be run in accordance with the most recent government guidelines. Track and Trace registration is currently a requirement for all attendees at events, either by scanning the QR code or by leaving your contacts with the stewards on arrival at the event. Groups must be of no more than 6 people. This will hopefully increase to 30 on or after the 17th May. In all indoor areas and toilets, everyone must wear a face covering (unless exempt). We also recommend the use of face masks outdoors where 2 metre distancing is difficult ie: busy areas, trade stands, refreshment points etc. Follow any one way systems as required, wash hands regularly and use hand sanitisers which are located around the venues. There will be wider walkways and 2m gaps between stands. Outdoor stands, please use as much space as you sensibly require as we have ample outdoor areas to spread out at all our venues.

Trade and sellers, please bring your own face masks and sanitiser for your stand and set up safely to allow for social distancing. Avoid handling stock without asking first.
